UNDERSTANDING OWLS

Half Day Activity

Spending half a day in privileged close proximity to the Owls at Stonham is an unforgettable experience. You will have the opportunity to handle and fly an Owl as well as learning more about their fascinating lifestyles, myth & mystery. The Suffolk Owl Sanctuary is one of the few venues in the U.K. to run Owl courses, so we recommend you book early to avoid disappointment. Courses run from May to September, price per person £75 incl. lunch. Spectators welcome - £25 incl. lunch. No previous experience necessary.

APPRECIATING BIRDS OF PREY

Half & Full Day Courses

Our most popular Activity Courses provide a real "hands-on" experience for you to handle, feed and fly our magnificent Harris Hawks. The courses provide full entertainment but are also designed to give you an overview on many aspects of Birds of Prey as an introduction to what for many has become a life-long passion. Each course is limited to six persons. Half-day courses run from May to September, price per person £75, full-day courses through the winter, £100. Spectators are welcome on both courses at £25 and all include lunch. No previous experience necessary.

THE HAWK WALK

Half Day Activity

These half-day activity experiences provide a great summer-time opportunity to participate in the thrill of having a bird of prey fly to your wrist and be able to study these beautiful raptors at first hand. The course will also give you the chance to find out everything you always wanted to know about Hawks but never had the opportunity to ask! Course places are limited (so we advise early booking) & run from May to September. Price per person £75 incl. lunch. No previous experience necessary.

FALCONRY FOR BEGINNERS & ADVANCED FALCONRY

5 & 3-day Day Courses

These acclaimed courses provide those interested in Bird Management & Falconry with a complete grounding in the practicalities of an absorbing hobby. The courses cover all the fundamentals of modern falconry including manning, equipment, accommodation, diet, health & hygiene, legislation. You will work in the field with our magnificent hawks and buzzards learning how to train Birds of Prey for free flight. Courses run from November to February and the price per person is £475 & £275 respectively, including lunches & refreshment.

HUNTING with HAWKS & FALCONS

Half & Full Day Activities

A day hawking in the wilds of East Anglia provides a fascinating and unforgettable experience. In the company of skilled falconers and with the finest Birds of Prey on hand, we will give guidance on how to handle and call a Harris Hawk in the field and then take you to the hunting grounds on local private estates and farmland. Between sessions we provide a pub lunch, with a hot beverage and fond memories at the end of the day. Hunting Days run from October to January, are limited to four persons per day and the price per person is £75 per half day and £100 per day with Harris Hawks and £125 per day with Goshawks & Falcons. No previous experience necessary.

YOUNG FALCONERS COURSES

Half-Day & 6-Session Experience

Our Young Falconers Courses are for those interested in taking up this fascinating pastime. The £25 half-day courses are designed to provide a simple, hands-on introduction to the world of falconry for those aged 10-14 - a behind-the-scenes tour, a close-up introduction to birds from the five main Raptor families and a spell learning about the Falconer's Knot plus the hoods, bags, bells, leashes & lures which make up the essential equipment of the falconer. Our Wings-Plus course is for 12-16 year-olds spread over 6 weekend sessions at £25 each, providing hands-on experience and in-depth knowledge of the basic skills required.

Now YOU can enjoy the thrill of the Falconry Experience!

Whether you want to learn more about Owls, enjoy the excitement of handling a beautiful bird of prey or witness the speed and aerial prowess of a raptor in full flight, we have the just the activity day or course for you.
